2013 PEST CONTROL ADVISER REGISTRATION NOTICE

Pest Control Advisers (PCAs) must **register every year** in all counties where they plan to write recommendations. Please register prior to writing recommendations to avoid penalties. The registration fee is **\$10.00** for a PCA headquartered within San Diego County and **\$5.00** for a PCA headquartered outside of San Diego County. PCA registration may be conducted in person or by mail. Only PCA licenses valid through 2013 or 2014 can be registered.

Please refer to Food and Agricultural Code section 12003 at www.cdpr.ca.gov (Laws and Regulations tab) for details on what to include in your recommendations.

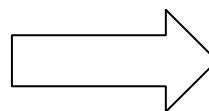

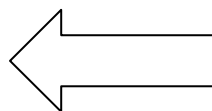

You play an important role in **bee protection**. You are responsible for protecting bees when recommending pesticides. If you recommend a product which says "toxic to bees" on the label, we strongly encourage you to visit our website <http://www.sdcountry.ca.gov/awm/pesticides.html> or call your inspector to learn more about your role in bee protection.
